January 20, 2023

Dear Families,

Welcome to the Darien Public Schools!

Kindergarten registration for students entering the Darien elementary schools in 2023-2024, is processed online. In order to be eligible to attend Kindergarten in 2023-2024, children must be five years of age on or before January 1, 2024.

To register your child, please go to www.darienps.org and select the “District Information” tab, and then “Student Registration Process”. There are two options for registering, with instructions listed for each. Please select the option which is applicable to your family:

Option 1: Families with currently registered students or previously registered in District and have an Aspen Portal Account. Please log into your Aspen Portal account and begin the registration process by clicking on the “Here” link under New Student Registration.

Option 2: Families new to the Darien Public Schools without an Aspen Portal Account - please follow the directions listed on the website.

For direct access to Kindergarten Health requirements please visit the [website](#).

Please register your child online no later than February 10, 2023. If you need support, please contact your school's secretary for assistance with the registration process. Please note, it is important that you upload only current documents. If at the time of registration you do not have required health-related documents you may indicate “N” and you will receive a follow up communication. Your child is not considered fully registered until all documents have been reviewed and verified by district personnel.

Principals will reach out to registered Kindergarten families later in the spring with more information about the Kindergarten program.

Sincerely yours,

Hindley School

Keri Snowden, Principal
Janet Frasca, School Secretary
